

## **BOARD OF EDUCATION ETHICS POLICY**

The Board of Education of the Berlin Central School District hereby affirms that the maintenance of high standards of ethics and avoidance of conflicts of interest is critical to the proper administration and management of the Berlin Central Schools.

A major goal of the Berlin Central School District is assuring the opportunity for high quality education for every student with the well being of students being the foundation upon which all decisions are made and actions are taken. To this end the Berlin Central School Board of Education shall, pursuant to the General Municipal Law Section 806, promulgate a regulation establishing a Code of Ethics to serve as a guide for official conduct by Board of Education members, officers and employees.
