

REVENUE

In an attempt to provide the best education possible within the fiscal resources available, the Berlin Central School District Board of Education will pursue the following course of action.

- I. The Board will request adequate local funds for the operation of the District. The amount of financial support requested will yield sufficient revenue for the total expenses of the District.
- II. The Board will accept all available state funds to which the District is entitled by law or through state regulations.
- III. The District will accept all federal funds that are available, provided that there is a specific need for these funds, and provided also that matching funds, to the extent required as a condition for receiving said federal funds, are available.
