

## HVCC - College in the High School Summer 2018

High school students finishing their sophomore or junior years this spring can now register for college-level courses offered at [Troy High School](#) this summer.

Classes run from July 2 through Aug. 10. For more information about any of these courses or about the Summer Program in general, contact Hudson Valley's College in the High School Programs at (518) 629-8164 or stop by the Counseling Office. Registration materials are available in the Counseling Office. Enrollments are limited due to space availability.

### Troy High School

Principles of Macroeconomics (3 credit hours)

Creative Writing: Short Fiction (3 credit hours)

Precalculus (4 credit hours)

American National Government (3 credit hours)

General Psychology (3 credit hours)

(\$55.00 per credit hour)

\*Students also may be responsible for purchasing textbooks and/or required materials.
