

Siena College will be holding an **Instant Admit Day** for high school seniors on Tuesday, February 20.

Students who attend are guaranteed to get an admissions decision, including a merit scholarship worth up to \$21,000/year.

The students and their families will also have the option to meet one-on-one with a financial aid advisor about their eligibility for our new Saint Francis Scholarship program. This could mean an additional \$12,000 toward their Siena degree!

We recommend saving a timeslot as soon as possible, as we expect them to fill up fast.
