#### **Athletic Camps**

Over a dozen different full- and half-day athletic camps for both boys and girls helps them acquire knowledge, develop interest, learn technique and improve skills.

#### **Circus Theatrics**

This ever popular full-day camp introduces new campers to the art of juggling, tumbling, partner acrobatics, magic and the secrets and skills of circus clowns.

#### **Comedy Camp**

Campers are introduced to different styles of comedy, and watch some classic comedy routines. Then it's the camper's turn to get some real laughs from their own comic ideas.

#### **Summer Academy**

More than 75 different half-day summer camps are offered in our Summer Academy program for students entering first through eighth grade.

#### **Technology Enrichment**

Offered at both Bethlehem Middle School and the college's TEC-SMART facility in Malta, campers are given a chance to discover their interests and talents through hands-on, activity-packed learning sessions.

#### **Theater Workshop**

Campers are led through the entire process of producing a musical theater piece, from creating the characters, writing the script and developing songs, to rehearsing and performing in the final production.

## **High School**
