

HVCC is offering a S.A.T. Preparation Course **Spring 2019**

This course is designed to prepare you for the Scholastic Aptitude Test (math, verbal and writing sections). The schedule of topics will be determined during the first session. The course will teach strategies for problem solving, vocabulary development, reading comprehension, sentence completion, grammar and essay writing skills. The classes will use actual SAT questions to familiarize you with the test format and style. You'll develop a more realistic set of expectations for test questions and the skills to master them. The book that will be used in the course is McGraw Hill's SAT, 2019 Edition and is required for the first class session.
