

Penny War

Berlin Elementary Penny War!

Feb 1-16, 2018

Pennies are "positive." Here's how it works:

- Containers are located in the main hallway
- Each penny counts as one positive point for YOUR grade
- Each silver coin counts as negative points for OTHER classrooms. In other words, dropping a quarter in another grade's bucket takes 25 points from their total
- The PTO will spend President's Week vacation counting all of those Lincoln, Jefferson, Roosevelt and Washington coins. The winning grade will be announced on Feb 26th. The grade with the most points will win an **ice cream party!**
- All monies raised goes towards BES activities and field trips

Penny War Rules

Points:

Adding (+)

1 penny = 1 point

Subtracting (-)

1 nickel = 5 points

1 dime = 10 points

1 quarter = 25 points
