

HAPPY SUMMER, 2019 GRADUATE!

The Yearbook will be advised by the Art Department this coming school year and we could not think of a better class to start our Yearbook journey with!

Please see the following packet with important information and dates to get us up and running! It is very important you abide by the dates in order for the Yearbook to be printed on time. Each page of this packet has a due date written on it.

Thank you for your cooperation and help! We are looking forward to being your Yearbook Advisors for the Graduating Class of 2019!
