Instructions for navigating the Parent Portal

The parents who have signed up their email addresses in person using the required Parent Portal Access Form should have received an email with a unique password to access their School Tool account. The email describes how to log on. The following are instructions for navigating through your child's information.

A Welcome screen will appear after you have logged on. The top navigation bar shows three tabs – Home, Help and Logout.

The left bar shows My Home and Preferences with My Home highlighted in yellow. The first thing you should do is click on the Account tab and type the unique password from the email in the Old Password box. Then enter a password of your choosing in the New Password box and again in the Confirm box. Your password must be a minimum of eight (8) characters with at least one capital letter and one number.

Then click on the Students tab again. Your child's name will appear below the welcome message with today's date and cycle day (if middle or high school). Click on the blue triangle preceding your child's name. This opens your child's record with the contacts tab highlighted.

The Contacts tab shows information about people associated with your child with phone numbers and addresses where applicable. Please report any corrections to this information to Erin Crimmel at 658-1500 Ext. 1002 or ecrimmel@berlincentral.org

You will notice symbols (icons) throughout the School Tool program. If you hold your mouse over the icons, a text box will indicate what they mean.

The Schedule tab will show you your child's schedule with teacher names next to the courses. You will see an envelope icon next to each teacher's name. You can contact teachers via email by clicking on the icon.

The Attendance tab shows you what days your child has been absent from school. If you click the radio dial in front of 'All course attendance' you can see what classes have been missed. These are not the same as the 'Daily attendance' dates as these are times your child was in school, but missed a class due to field trips, band lessons, etc. 'Missed course attendance' dates are usually if your child was in attendance, but left early or came in late.

Discipline shows any referrals written on your child.

Grades defaults to Marking Period 1 in the current year, but can be changed by using the pull down for each category to show a different marking period, progress report interval, etc. These are the grades recorded on the Progress Reports or Report Cards and are not the current running average in each class.

Assessments are scores received on NYS Tests given in grades 3-8.

Assignments show marks by quarter for courses your child is taking. If you have a question regarding the grades on these assignments, please contact the teacher via email through the Schedule tab (see Schedule above).

Letters refers to any attendance letters sent when your child reached certain thresholds such as 6 days, 12 days, or 18 days absent.

For further explanations and help you can always click on the Help icon which is a red circle with a question mark in it. To make retrieving information easier, the help icon is specific to the tab you are on. So, if you were having difficulties navigating the attendance module and click on the help icon, it will go directly to that area of help.

Parent Portal Registration

One form must be filled out for each student. A form of photo identification must be provided at registration. Only those listed on the Student Data Profile as having access to student information will be given Parent Portal access or a password.
