

Ms. Marbot's Senior Seminar Supply List

Berlin High School

2020-2021

The following are materials deemed essential for your success in class this year.

★ **A standard notebook**

- This will be used in class almost every day! A one subject is acceptable as well as a section in a larger 5-subject notebook. Student preference is important, but your English course must have its own designated section.

★ **A writing utensil.**

- A pen or pencil is best.

★ **A binder OR accordion folder**

- Once again, student preference will suffice but you must have a binder or accordion folder specifically for English class to track course materials and handouts.

Binder tabs are optional and may be used for personal preference and organization.

Due to our current situation, the following supplies will NOT be provided in class for shared use. We will use these materials throughout various in-person learning days, so students should be prepared with their own supplies.

****Ms. Marbot's Suggestion: Find a pencil case/pouch/box that you find easy to carry from class to class. Since most shared materials (pens, pencils, highlighters, etc.) are not going to be carried as class sets, keep your own materials in a case to prevent loss and underpreparedness.***

- Pens / Pencils
- Dry Erase Markers (please have at least one, we will use this for lessons, games, etc. throughout the year)
- Highlighters
- Colored pencils*
- Page Flags*
- Pencil-top Erasers*
- Loose Leaf Paper*

**optional*
