

Student Supply List for Mr. Toole's Earth Science classes:

- Pencils
 - Students may also use pens, however, there will be certain activities that require a pencil only.
- Calculator (4 function or scientific)
 - Due to COVID-19 there will be restrictions on sharing devices and equipment, therefore it is highly recommended that each student has their own calculator.
- Colored Pencils (optional)

* Due to COVID-19 students will not be required to keep a notes binder this year. All notes will be posted in the class materials in Schoology. If a student would like, they may print the notes and keep them in a binder at home.
