(Route 22)

See the Lights

Drive in and get a treat

Walk in and get a treat

# 2021

## All Aboard to Light Up the New Year

We are so glad that you have chosen to enjoy this night in our community! Listed on the back is a list of organizations that are participating. They are all excited to make this night fun and exciting for our families. Without their willingness to put the effort in, this event would not take place.

In addition to making this fun and memorable, we also want to prioritize safety. Practicing safety throughout the night is the responsibility of all those that are participating. Here are some things to keep in mind as you drive through this evening.

- Drive safely!
  - Be aware of walkers on the road.
  - Pay close attention to the speed limit...and you are encouraged to go even slower as you pass through the road listed.
  - Be patient! People will be distributing treats that could potentially take a bit of wait time in the car until it is your turn.
  - If you are at a venue where children get out of a car to receive a treat, take extra caution when driving through the parking lot.
- Covid Safety
  - Mask wearing when necessary
  - Social distancing when necessary
  - Carry some hand sanitizer in your vehicle to apply when necessary
- If you'd like, send photos to our school communication department: Rachel Turetsky at [rturetsky@berlincentral.org](mailto:rturetsky@berlincentral.org)  
Photos may be added to our school website and be featured in the yearbook!
- The key below shows what is available throughout the town. Feel free to visit as many as you would like, to stay in your car, or to get out and stop in our local business. Enjoy the night!
