

August 2023

Dear Families,

Welcome to the Shooting Stars classroom at B.E.S. We are a 3-5 specialized classroom which will meet the individual needs of your child while providing opportunities to be with their grade level peers. I want to introduce myself and share how excited I am to be leading this classroom. My name is Deanna Baker and I have been working in Berlin since 2007. During my time here, I have been a self-contained classroom teacher, co-teacher in grades Kindergarten, First and Third grade as well as providing special education instruction through resource room and special class.

We will work hard to create a safe, caring, creative classroom environment while integrating curriculum, social skills, life skills and regulating emotions. We look forward to working with your child and supporting them.

If you have any questions please feel free to contact me through email: [dhansen@berlincentral.org](mailto:dhansen@berlincentral.org). More information will be sent home in the first week of school about schedules and other important information.

Enjoy the rest of your summer and I cannot wait to work with your child and you.

Keep Shining,

Deanna Baker
