

ART CLUB

Keep Updated! Schoology Access Code: WVXN-Q3PF-DSTKM

What are the options at ART CLUB this year?

- We may have some **mini lessons** available that you could choose to participate in each month.
 - You can help us to plan and work on another **wall mural** in the high school hallway!
 - You can work on other permanent projects to "**Beautify Our School!**"
 - You can **do your own creative thing** and work independently with the materials in the art studio!
- 

When is it?

(**Aside from the September Meeting*) Official Art Club meetings are on the **first WEDNESDAY of every month** (see dates right) from **2:50-4:50 pm afterschool**.

However, your Art Teachers will be afterschool every Wednesday so if you'd like more independent art club time, you can come other Wednesdays too.
