

The Berlin Middle School Student Council is sponsoring...

Make-A-Wish by selling Adopt-A-Wish(s) for \$1 or 6 stars for \$5

All proceeds go to the Make-A-Wish Foundation and the stars will decorate our spirit tree to show our support just as you enter the Middle School/High School, and Berlin Elementary School buildings.

Let's help meet the goal to raise money for 100 Wishes to help make a local child's wish come true!!!

The Make-A-Wish Foundation grants the wishes of children with life-threatening medical conditions to enrich the human experience with **hope, strength, and joy**. The Northeast New York chapter serves the 15 counties that comprise the 518 area code.

YOU can "adopt-a-wish" by making a \$1 donation for each star (6) OR \$5 for all 6 stars!

You can also donate online and we will update the stars at school:
