March 17, 2022

Dear Berlin parents/guardians,

We are experiencing a Covid burst right now in our district.

Due to the number of staff who will be out due to Covid tomorrow 3/18/22, we cannot provide the instruction or ensure the services that our students need.

As a result, we will be closed tomorrow, March 18.

The intent is to be fully operational on Monday 3/21/22, but we will notify you on Sunday 3/20/22 if that should not be the case.

We also have test kits available for any parents who would like to pick them up. Please reach out to our BCSD Covid Coordinators to make arrangements.

Berlin Elementary School - Jean Hammond, at jhammond@berlincentral.org

Berlin Middle High School - Michele Corsey, at mcorsey@berlincentral.org.

Thank you for your understanding and cooperation,

A. Joseph Dhara

Superintendent of Schools
