The Classes, Part 2

The classes are 44 minutes and you can go to your next class on your own. You can leave when the bell rings or when your teacher says you can.

The Morning

When you get off the bus, you can go to the cafeteria, get breakfast and go to your class. When you get to your classroom you will have time to eat your breakfast. If you run out of time you will have to do a “write and bite.”

You will need to use passes for the hall and to sign out of classrooms.

Teachers are here to help you. If you have a question ask. We are all here to help you.

Lunch

You can buy or bring your lunch. My favorite lunch is chicken nuggets. Lunch is a good time to time to talk to your friends.

After School

Homework club is a good way to catch up with your work, and/or help other people with catching up. Homework club is a tool to passing 6th grade and moving on to 7th grade. At the start of homework club we get to go outside and go for a short walk. This is fun to do.

You will also have a choice to go to drama club and as they say in theater talk, “break a leg!” You might get a good role next year. And who knows? You might even be with me in the movie or get a star role!

After School Part 2

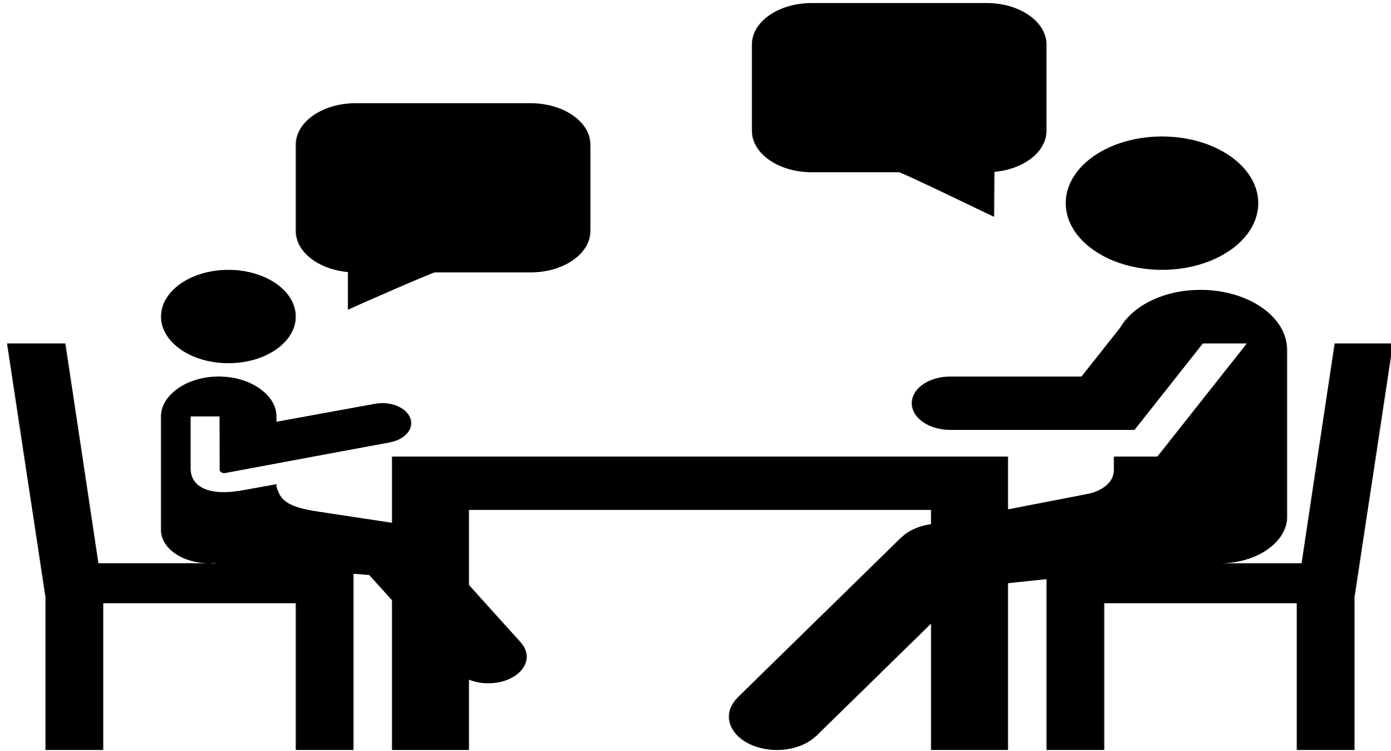

Student Council -

You can join the middle school Student Council. Some of the activities the Student Council put on are school dances, food drives, recycling, the Berlin 5K, and many different types of fundraisers to help out the community. They also help organize pep rallies and field trips.

Guidance Counselors

If you need help with your schedule, you can see a guidance counselor.

Guidance counselors - Part 2

The guidance counselors also help you with your problems. The guidance counselors are Mrs. Harrison, Ms. Testa, Mrs. P.H., Ms. Murray, and Ms. Augustine.

Physical Education (PE)

In PE you will be given a locker with a combination, that you need to use so you can put all of your stuff in for gym. Some of the things you will need to put in your locker are another pair of sneakers, shorts, t-shirt, and deodorant. Some of the sports you will be able to play are soccer, basketball, kickball, dodgeball and more.

The Principal's List

The Principal's list is for people with grades 85% or more. You will be allowed to go to the bowling alley or go rock climbing if you get on the Principal's list. You can also get Honor Roll and could earn ice cream or donuts. There is also Merit List and you earn a special treat for that too.

The End!

**We are so excited to see you and
can't wait for you to join us next year!** Do you have any questions?
