Dear Parents & Guardians:

Effective June 30, 2022, Federal Meal Waivers from the USDA for the National School Lunch Program that have been in place during the COVID-19 pandemic have expired.

What does this mean for you?

1. Beginning with the 2022-2023 school year (September 6, 2022), students will no longer receive breakfast and lunch at no cost unless they qualify for free or reduced-price meals.
2. Your student must be eligible for free or reduced-price meals, either through direct certification or a completed free or reduced-price meal application. The application will be available to fill out August 1, 2022. The electronic version, which is the most efficient way to apply, can be found in the Titan School Solutions Portal at <https://family.titank12.com/application/new?identifier=EREXPE>. If you need a paper copy, please visit the District's Web Page or contact the Main Office of your child's school.
3. If your student previously was eligible, either by direct certification or an application, that status carries over for the first 30 days of the new school year.
4. **Reminder**; we transitioned over to Titan School Solutions in May 2022. All parents should sign their children up for an account. Information on how to do this is located on the District's Food Service Page <https://berlincentral.org/departments/food-services/>.

Below is the meal pricing for 2022/2023 (same pricing as 2019/2020). We accept online payments through Titan School Solutions, checks or cash at the register. **We do not recommend sending cash with younger students as it can get misplaced or not make its way to the cafeteria.** We are not responsible for lost or stolen money that does not get applied to a student's account.

Pricing for 2022/2023	Breakfast	Lunch
BES - PreK - 5	\$2.10	\$2.60
BMHS 6 - 12	\$2.10	\$2.80

If you have any questions or concerns, please contact me at twhitman@berlincentral.org.
