

# BMSHS VISUAL ARTS EXTRACURRICULARS

Those who join art club are free to express themselves and their interests in a safe environment, free of any discrimination towards themselves or their art! There is a very high emphasis on creative liberty, being able to have no sorts of limits is what truly makes someone's art their own, and Art club to many people is just that, a creative space for them to do what they enjoy. It is also a place to make new best friends, and being able to create relationships with those who share common interests. With a wide range of materials to use and a lot of friendly faces, art club is the perfect place for somebody to get themselves out of their comfort zone and try something new.

## About...

**NATIONAL ART HONOR SOCIETY** NAHS is an invite-only society. Our Berlin NAHS Chapter brings art into the community through service and project planning. Are you a 10th-12th Grader who took at least one Visual Art class? If you didn't receive an application, but are interested in this society, please reach out to an Art Teacher.

**YEARBOOK COMMITTEE** HS Yearbook Committee is open to ALL High School (Grades 9-12) students. Do you like photographing and documenting your school experiences? Do you like working on page layouts? Join HS Yearbook! We will have Zoom "meetings" as a committee once per week. Weekly Zoom links will be posted in the Schoology Group. Committee members also can work on yearbook pages at home through Jostens' online program. *Be a part of documenting the history of the 2022-2023 School Year!*
