

**MIDDLE SCHOOL
STUDENT COUNCIL**

2022/2023

What is Middle School Student Council?

Berlin Middle School Student Council sponsors a wide variety of extracurricular, social, and leadership development activities throughout the school year, providing for a complete and enjoyable middle school experience. In previous years some of the activities we put on our school dances, food drives, recycling, pep rallies, The Berlin 5K and Family Fun Day, and many different types of fundraisers to help out the community.

This year the focus for the MSSC will be working with the High School Student Council on creating opportunities for student's voices to be heard and events for students to get involved in our school and community. We will have monthly check-ins with the student council students to see what they are hearing as far as concerns, positives, etc. from the student body. We will plan quarterly activities that will be centered around this.

The Berlin School Student Council serves the school's students, staff, and community. Student representatives from the 6th, 7th, and 8th grades are required to attend all of the meetings and event dates. Members (students not elected into a position) from the 6th, 7th, and 8th grade are encouraged to attend the meetings and assist at the events.
