

Happy Spring!

- Mission Statement and our role as a committee; the committee is set up to support BNL Athletics, it IS NOT a committee with management or supervisory responsibilities
- Communication Chain - Meeting changes and important information will be posted on the Berlin website and NL website and with email. Both AD's will inform their respective school's students.
- Members are asked to regularly attend and actively participate in meetings
- Honest feedback is appreciated and valued. Feedback is given;
 - professional, kind, and positive manner
 - productive manner; working towards the common goal

Consistent Meeting Times

- MSC will meet 1x per month; generally on the third Tuesday of each month (coincides with the Berlin School Board meeting) from 5:30-7p. Remaining school year dates are Tuesday March 21, Tuesday April 18, *Wednesday May 17, Tuesday June 20.
- Meeting on Wednesday, May 17, 2023 (budget vote is Tuesday) is the same evening as the HS Concert. Reschedule?

Committee Work Transparency

- Mission Statement, members, agendas, and meeting notes will be posted on the Berlin website (under School Board Committees) and NL now has the same information posted under Athletics.

Spring Sports In-Person/Virtual Meeting

- Unable to coordinate an in-person parent and athlete winter sports meeting due to the timing of Berlin AD hire.
 - Has a spring season virtual/in-person meeting been scheduled? If not;
 - Have coaches had the opportunity to go over general team information/expectations with students and parents?
 - When will BNL Athletics support (Booster Club and MSC) be able to describe their role and encourage new membership?

Booster Club Update

- The Booster Club Update will have a significant transition in leadership after this year. In order to continue the club, volunteers are needed. Kristi Culbertson, any updates?

Fall/Winter Season Surveys for Athletes and Coaches

- Glenn Guimmara has drafted one survey for both seasons; Fall and Winter Sports Seasons will be distributed together
- Survey data and comments will be reviewed at April 18 MSC meeting
- Data will help steer committee's direction with recommending paths for improvement
- Any needed changes or suggestions?

Spring Athletics

- BNL is still in need of a Modified Baseball Coach
- Any season concerns/updates?

Rebranding BNL Athletics Presentation

- Both AD's would like to further unify BNL Athletics by establishing a new logo and possible color scheme that uniquely combines the two schools.
 - Student Athlete and Coach Surveys include a request for basic feedback on colors and mascot/logo ideas
 - AD's are waiting for the "go ahead" on contract language from each school's financial office
 - Once approved and a contract is signed, a well planned time-line is expected to be drafted

Any other comments or concerns?

Our next meeting will be Tuesday, April 18, 2023!
