Mr. David Bernsley
Middle/High School Principal

Dear Berlin Community,

I am both honored and excited to introduce myself as the new Principal of Berlin Middle/High School. It is with great enthusiasm that I join this esteemed institution, a place renowned for its dedication to academic excellence and nurturing the growth of our future leaders. I am deeply committed to upholding and advancing the remarkable traditions and achievements of this school.

Allow me to share a little about my background and experience. With over twenty years of administrative experience in education, I have had the privilege of working in various capacities, from classroom teaching to school leadership roles. I have consistently striven to create an environment where students can flourish academically, socially, and emotionally. My core belief is that every student deserves a world-class education, and I am dedicated to ensuring that this belief is realized here at Berlin Middle/High School.

I firmly believe in fostering a culture of collaboration, innovation, and inclusivity within our school community. As a leader, I am committed to working closely with teachers, staff, students, parents, and community members to develop a shared vision for our school's future. Together, we will create an environment where all students feel valued, supported, and challenged to reach their full potential.

In the coming weeks and months, I look forward to getting to know each of you, hearing your insights, and understanding the unique strengths and opportunities that exist within our school. Open lines of communication are crucial, and I encourage everyone to reach out to me with their thoughts, ideas, and concerns.

I am confident that, with your support and dedication, we will continue to build upon the excellent foundation that Berlin Middle/High School has established over the years. Our shared commitment to the success and well-being of our students will guide us as we embark on this journey together.

Thank you for entrusting me with the responsibility of leading this remarkable school. I am eager to meet all of you and look forward to the many accomplishments and milestones that await us.

Warm regards,
David S. Bernsley
