We value your feedback, comments, and your participation.

Parents/guardians and community members are welcome to join this virtual monthly meeting to receive the latest news, discuss instructional programs and ask questions and/or share concerns that will positively impact student academic achievement.

The monthly town halls are designed to hear directly from Mr. Bernsley. These meetings will also be a great opportunity to meet other parents, collaborate and share in celebrating the school's progress and build a stronger community around our Mountaineers.
