Also on the Ballot

2024-25 School Bus Proposition

- \$295,000 estimated maximum cost
 - (2) 30-passenger school buses \$165,000
 - **■** (2) 7-passenger vehicles \$130,000
- Vehicles to be financed over 5 years through BANs (Bond Anticipation Notes)
- First payment would begin in 2025-26 school year
- Debt Service payments are Transportation Aidable at 65.9% aid ratio

Contingent Budget

What is a contingent budget?

- When the voters reject a school budget, the Board of Education has three options under the NYS law:
 - 1) submit the same budget for a second vote;
 - 2) submit a revised budget for a second vote; or
 - 3) adopt a contingent (or contingency) budget
- When the voters of a NYS school district fail to approve a school budget the second time, the district is required by law to operate under a contingent budget.

Contingent Budget

What happens when a contingent budget must be adopted?

- State law mandates that under a contingent budget, a school district must adopt a budget with <u>no tax levy increase and eliminate all non-contingent expenses</u>, such as certain student supplies, certain equipment purchases and community use of school facilities that results in a district expense.
- The administrative budget would also be subject to certain restrictions.

Contingent Budget

What would a contingent budget mean for Berlin?

- If operating under a contingent budget, the tax levy can be no greater than the prior year tax levy (zero percent increase).
- Based on the Draft 3 Budget, the tax levy would need to be reduced from \$10,354,116 to \$10,151,095, a decrease of \$203,021. Therefore, additional budget cuts of \$203,021 would be needed.
- The district would also have to adhere to an administrative cap which limits
 the percentage growth in the administrative component of the budget.
