Facebook was changed to one single page for both BES and MS/HS, more people have been joining the page.

F/U possibility of MS/HS Book fair. Robocall and email was a success being sent out for a reminder.

New: Fallfast/Bounce House 10am until 3pm.

Book fair at BES/Dates: Tuesday Wednesday October 1st/2nd

Picture day at BES/Dates: Friday October 4th

Courtney will create all sign up genius for these dates.

Building use forms for these dates?

Future: Christmas shop dates. December 10/11/12 Jodi checking if these dates work. Shop ordering

Dodgeball tournament dates at MS/HS/ Could any gym teachers be involved this time? A Lot of planning/covering extra time during the event- Would need to start this planning in January.

Fundraiser: Tried Krauses, Kids Korner, Whats Poppin, Poppin Popcorn- Krause full until next year would be a spring/easter fundraiser. Jocooffee, Pasta Fundraiser? Idea for dry mix fundraiser/pasta/soups. 4H fundraiser currently does this. Clothing fundraiser MS/HS has done this in the past/continues to do this as a fundraiser, along with athletics/teams doing this.

Walking fundraiser/movement fundraiser- would this work at both schools? Do this with water/dj/music/snacks/games/prizes- This seems to be of interest and Courtney will look into it, good Spring fundraiser when weather is nice/suggested to also wait until the Spring. Check with helping hands/letting them know we are waiting for fundraisers until the Spring.

Principal Report: BES/Mrs. Cataldo- supply drop off and popsicles went very well. Great first few days of school and children are transitioning well. Open house will be September 25th-information on FB and district website. First character Ed assembly will be Frida

MS/HS: Great opening to the year. There will be no open house at the MS/HS this year, will do parent conferences instead to give parents an opportunity to connect with staff awaiting details and times for this. Tomorrow will start a new electronic pass system MINGA. Students will use their chrome books to generate a pass and let monitors know via Ipad where students are. Will explain the system at first period and information will be sent out to parents/guardians. Will need patience as this system rolls out. Seniors will present at the next board meeting about decorating/painting their parking spots. September 20th will be Senior day and will have breakfast and field day/lunch. No cell phone policy has gone into effect this year.
