

Gobble-Grams!

The Student Ambassadors of BES are starting a community service project for November. Students will be able to send a Gobble-Gram to a friend at school. A Gobble-Gram is a personal note written to a friend with a brand new pencil attached to it.

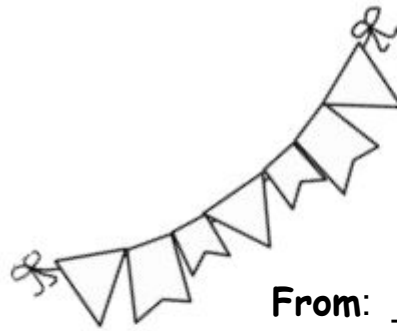

The cost of each Gobble Gram is \$1.00.

If you would like to surprise a special friend with a Gobble Gram, complete the form, color the picture, and return it with \$1.00 by Friday, November 14th.

Please include the student's first and last name, along with his/her teacher's name.

All money raised by the Gobble-Grams will be used to support the BES Ambassador program.
