# UNIQUELY ABLED ACADEMY

## SUMMER BOOTCAMP at Hudson Valley Community College

**REGISTER HERE**

[www.hvcc.edu/forms/uaa-bootcamp.html](http://www.hvcc.edu/forms/uaa-bootcamp.html)

**WHAT:**

Hudson Valley Community College will host its second manufacturing bootcamp in the summer 2025, sponsored by SparkForce. This inclusion camp is specific to individuals on the autism spectrum who may be interested in a career in the CNC (Computer Numerical Control) manufacturing industry.

**WHEN:**

June 9 - 26 , 2025

**HOURS:**

9 a.m. - 3:30 p.m., Monday - Thursday

**WHERE:**

The Gene Haas Manufacturing Center  
Hudson Valley Community College  
80 Vandenberg Ave., Troy, NY 12180

**WHO:**

High school students or others, ages 16-25, who are on the autism spectrum and looking at a career in CNC Manufacturing and/or to join the Uniquely Aabled Academy program at Hudson Valley. Must have reading and writing skills and be able to operate machinery safely.

**WHAT IS TAUGHT:**

Basic instruction in CAD/CAM, CNC machining, cutting, drilling, machining, programming, shearing, stamping, and welding. Campers will create projects using these methods.

*This camp is required for anyone who is considering participating in the Uniquely Aabled Academy at Hudson Valley Community College for the fall semester.*
