

P.O. Box 259 Berlin, NY 12022 | Phone: 518-658-1500

If your child is eligible for federal free and reduced-price meals or free milk, he/she also may be eligible for other benefits. Please take a moment to read the information below and complete a quick and confidential form so that the district can be sure to be meeting all the needs of our district's families.

The data gathered from this form can qualify students for additional benefits and allows the district to receive additional state and federal funding. The online form only requires an income range and is confidential.

[Berlin CSD Income Form link](#)

All Berlin Central School District students are eligible to receive FREE school meals (1 breakfast and 1 lunch per day), regardless of family income, through the Community Eligibility Provision (CEP). Additional meals, snacks and a la carte items will still need to be paid for. Students will be able to purchase those items with cash or funds available on their LINQ Connect accounts. Please find more Food Service information and menus on the website here <https://berlincentral.org/departments/food-services/>

No application is required; however, families should complete the Income Form.

For questions about the HHIE form, please contact: Susan Frank, Senior Shared Food Service Specialist, susan.frank@neric.org (518) 464-5133.
