

Berlin Middle-High School Music Dept.

September 2025

Hello community member,

First, a big thank you!

Donations from businesses and community members are the only way that we as a music program can survive! Your time, support, and donations allow us to continue giving our community the gift of music and give us more opportunities to in turn give back to our communities.

We are looking for a small donation of a gift card or item from your business to be raffled off during the month of December! Business names will be included in the promotional materials as well as displayed on the raffle itself. Items may include wearables, household goods, gift certificates, services, and any other similar item. Items may include the business name or logo!

Please fill out the slip at the bottom of this form and return to either the student/family that reached out to you, or contact the Music Department at the email addresses below! We would be happy to pick up your donation at a future date/time, but please reach out to coordinate a time with one of our directors or families. We plan to start selling tickets by Oct. 18th at our BMHS Fall Fest; please stop by to support our school and program!

Thank you again for your generous gift and support!
