

BERLIN CENTRAL SCHOOL DISTRICT Is Pleased to Announce the Return Of

Spot knows where your bus is. You should too!

WHAT IS SpotMyBus?

SpotMyBus is the **mobile app** that **shows** you **where** your school **bus** is so you can track it as it heads to your bus stop. It's **easy** to use. It's **free**. It's newly **updated**. And you can install it **NOW!**

If You Already HAVE SpotMyBus On Your PHONE From Last Year ...

We recommend you **remove** it & **install** the **updated** version. It has **new** features. And **now**, SpotMyBus is **available** in English **and** Spanish!

HOW TO Get Started:

1. On your phone, go to: **spotmybus.com**
2. Click the '**Download**' tab (on the black bar at the top of the website)
3. Under '**Installing the Mobile App**', **click** the instructions link for **Android** or for **iPhone**
4. There, **step-by-step instructions** will walk you through the installation process.

Note:

To install SpotMyBus, you **must** have your District's Group Code **and** the Bus Route(s) you will be tracking.

If you do NOT know your GROUP CODE, please contact your Transportation Dept.

The screenshot shows a 'Setup' screen with a close button (X) in the top right corner. It contains the following fields:

- Group Code: [input field]
- Route: [input field]
- Route: [input field]
- Route: [input field]
- Route: [input field]
- Route: [input field]

At the bottom right of the form is a yellow 'Validate' button.

You Will ENTER:

← Your 9-digit **GROUP CODE**

← Your **BUS ROUTE**

← Up to **4 ADDITIONAL** Routes
(if your kids ride different buses)

IMPORTANT!

You **MUST** go to **spotmybus.com** to install the SpotMyBus app on your phone. This app is **NOT** available from Google Play or the App Store.

For questions or help with the app, please contact: **questions@spotmybus.com**
