---

November 3, 2025

Dear Families,

As we approach the winter months, we anticipate school delays and/or cancellations due to inclement weather.

We will implement snow days and 2-hour delays as we have in years past.

**Snow Days-** In the event of a closure Berlin CSD **does not** transport to private/parochial schools, QUESTAR programs including STEM, New Visions, CTE and Special Education Programs.

- **NO after-school or evening activities** on snow days.

**2 - Hour Delay** - Please anticipate the bus to arrive 2 hours after their regularly scheduled pick-up time. Knowing that conditions can be challenging, please allow flexibility.

- **NO AM Questar transportation** on days with a 2-hour delay.
- **Breakfast will be served at Berlin Middle High School** on days with 2-hour delays.
- **NO Breakfast will be served at Berlin Elementary School** on days with 2-hour delays due to the arrival time's proximity to lunch service.

School closures and two-hour delays will be communicated via SchoolMessenger, the district's website, Facebook page, and X (Twitter) pages, as well as local news stations (please note that News Channel 13 is no longer part of the school closing network portal, so please find closing information through an alternate local channel).

The district does not take these decisions lightly and will come to a decision as early as possible. If you have any questions, please do not hesitate to reach out.

Safe travels this winter season.
