

HOW TO OBTAIN THE FEE WAIVER

applySUNY

When you get to the payment page, it will show the first five campus application fees as waived (they are paid by SUNY).

Common App

You will need to apply campus by campus. Click on the tab that says “My Colleges”, select the campus on the left, and choose “General”. There will be a question that says, “It’s free application week with the State University of New York through November 2! Would you like SUNY to pay your application fee?” If you select “Yes”, your fee will be waived for that SUNY school and you can do this for up to five SUNY schools.

For transfer students using the Common Application, you will select “Program Materials” from your dashboard. Then you will select “Questions” on the right-hand side and you should see the Free App Week question.
