Berlin High School

Artist of the Month Award

Berlin

CENTRAL SCHOOL DISTRICT

The "Artist of the Month" award is a High School level award for our most dedicated students in The Visual Arts. These students are often the most academically successful because of great effort on their pieces and devotion to their craft.

The September Artist of the Month is.....

Logan Nunley!

(Grade 12)

Logan has hit the ground running as a creative force in all 3 of his art courses this year! With deep ideas and an intense, textural style, Logan never stops working and comes into the studios with a positive attitude each day. Congrats Logan! Looking forward to seeing all that you create by June!

The October Artist of the Month is.....

Logan Lenyk!

(Grade 11)

Logan is challenging himself with two art courses this year: foundational *Studio in Art* and *Sculpture & Ceramics*! Logan's eye for details and level of craftsmanship is advanced, always working towards mastery of each skill. In addition, Logan is respectful and responsible in the art studios, which makes him a pleasure to work with. Congrats Logan - keep up the great work!
